## SOPHOMORE CLASS

Class Officers: President, Susan Baucom; Vice-President, Steve Campbell; Secretary-Treasurer, Pam Black.

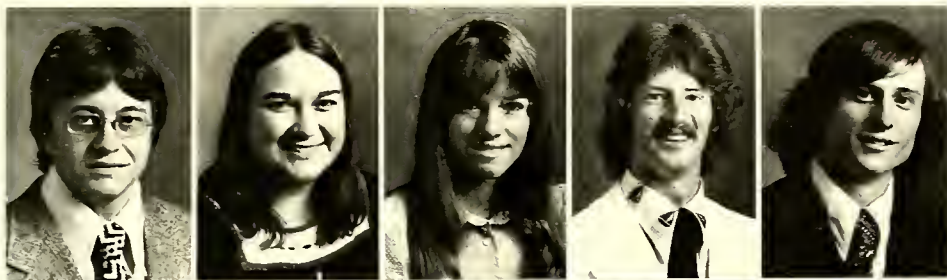

Back at Wingate one more year — now as big time Sophomores. Now it is our turn to sell elevator tickets to the freshmen.

But this year holds new challenges as well as new experiences. We all work together with a common goal, to get ahead in life. Here at Wingate we will make some life-long friends and in one short

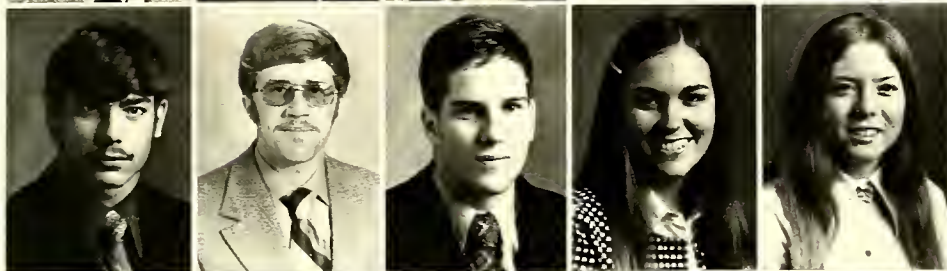

year we will no longer be part of the campus, just alumni.

Looking back on the past two years, we see many heartaches, tears, happy times, and a lot of hard work.

But we will all look back with mixed emotions and remember the closeness of the CLASS OF '74.

## DR. SMITH PLANS TO RETIRE IN JUNE

Dr. Budd E. Smith, president of Wingate College since 1953, has announced plans for his retirement — to become effective June 1, 1974.

In the summer of 1953 Dr. Budd Elmon Smith arrived to assume duties as Wingate's tenth president. The Wingate campus, in 1953, consisted of a half-dozen buildings on 33 acres of land. The \$300,000 plant was mortgaged. Today Wingate College has a campus of over 300 acres; more than 40 permanent buildings — including a model library — and a valuation of approximately \$17.5-million. The institution is debt-free. During his presidency at Wingate, Dr. Smith has been a leader in local community affairs. In 1961 he was named "Man of the Year" by the Monroe-Union County Chamber of Commerce and in 1972 served a term as president of the chamber.

He has served as chairman of the Union County Industrial Commission since 1957, and has promoted industrial growth of the area.

Academically, under Dr. Smith's leadership, Wingate College has become widely known and respected for the excellence of its academic programs and is today considered to be one of the finest two-year colleges in the nation.

A native of Benson, Johnston County, North Carolina, Dr. Smith is married to the former Ethel Knott, who has worked closely with her husband at Wingate as the college librarian and the college hostess. The Smith's have two sons: James Fielding Smith, a Ph. D. candidate in California and William Budd Smith, a senior at the University of North Carolina, Chapel Hill. After June, 1974, the Smith's will make their retirement home in Johnston County, near Benson.

Dr. and Mrs. Smith with His help have worked tirelessly to lead in the erection at Wingate of "a truly Golden Temple to which the youth will continue to come, many to find a new dedication to a higher citizenship than we have known."

With Oliver Goldsmith we would say, "How happy (they who crown) in shades like these, A youth of labor with an age of ease And, all (their) prospects brightening to the last, (Their) heaven commences, ere the world be past!"
